AGENDA

- Determine the display of data that best communicates the issue
 - Cumulative or annual growth and replacement data
 - Chronic vacancy data
- Review the goals and objectives in light of current data
- Establish an effective message to the legislature reflecting upon these and other issues deemed important for success
 - The gap in the supply/demand for nurses
 - Sustaining and growing training capacity
 - The importance of the faculty workforce and a discussion of pay discrepancy that threatens attraction and retention
 - Council's work is not done
 - Expand to health care
 - Establish a public private partnership to pay for continuing efforts
